

June 2026 Prayer Guide

SOUTHEAST ASIA

Pray for the Church in Vietnam. They believe in the power of prayer! Please join them in prayer that God will enable them to achieve their goal of establishing 1,000 new prayer groups in Vietnam, each faithfully lifting up the Lord Jesus Christ and their nation before Him.

Pray for believers in Indonesia. Pray for a group of house church leaders and members in one area who have been active for some time but have stopped discipleship contact due to intimidation from the local community, religious figures, and government officials, and fear of being evicted from their neighborhoods. The spiritual battle is real!

MIDDLE EAST & NORTH AFRICA

Pray for peace in the Middle East! Continue praying for peace in the Middle East and for the conflict in Iran to be resolved for the sake of the Gospel and the good of those whose lives are being disrupted. Pray for God's protection over believers and over those who will respond to Him.

Pray for a strategic Gospel outreach. Our ministry partners throughout MENA and East/West Africa are engaged in a wonderful collaborative opportunity that could result in the Gospel being proclaimed literally millions of times over the next few years. Pray for unity and wisdom and power for Gospel advance across these regions.

EAST ASIA

Praise for believers/pastors in prison. Pray for endurance, sufficient nutrition, ability to sleep, and most of all, a strong sense of the Lord's care and presence. Pray they are powerful witnesses of God's love to their inmates and jail keepers.

Pray for US/China interactions. Ask the Lord to direct the leaders of these two great nations as they negotiate through such weighty issues that affect the futures of so many who have no access to the Gospel.

SOUTH ASIA

Pray for our teams' outreach. Pray for a particular village, that hearts will turn to the Lord and that idol worship will be removed. Ask God to open doors for the Gospel and to strengthen house church leaders to serve zealously in reaching others.

Pray for divine encounters. One leader shared, "There are families and individuals we are walking with whose hearts are still closed. No argument or method can change that. Only God can open their eyes. Pray for genuine encounters—dreams, peace, conviction—something only He can do." Pray that God's power would draw people to Himself.

EAST & WEST AFRICA

Praise for open hearts. Praise that more than 12 families from one unreached people group have come to follow Jesus through humanitarian efforts and Gospel witness of one partner ministry. Pray they will grow in their faith and multiply.

Pray for partner leaders. Ask God to encourage, protect, and provide for indigenous leaders serving faithfully in difficult, remote, and spiritually resistant regions. Pray that they would remain steadfast, courageous, and filled with God's wisdom.

CENTRAL ASIA

Pray for wisdom for our partners. Our partners ask for prayer "as we develop new lessons on how to respond to the abduction and forced marriage of minority girls, as well as how to recognize and address scams and online fraud. Pray that these lessons will be practical, clear, and effective in helping communities navigate financial and social threats."

Pray for healing. Many believers are suffering from various kinds of illness, infection, cysts, etc. Pray with our leaders to see God's hand of healing and provision in each case—for His glory and for a strong witness to those around them.

Pray for wars, fighting, and killing to end and for many people to turn to the Lord Jesus Christ as their personal Savior.
