

August 2026 Prayer Guide

MIDDLE EAST & NORTH AFRICA

Pray for God's provision. People in Gaza, both Christians and non-Christians, are suffering from hunger and thirst. Pray for a way for food, clean water, and essential supplies to reach them.

Pray for wake-up calls! In these uncertain times, pray for Muslims, Hindus, and others to question their faith. Pray for divine encounters that bring them to seek the truth and put their faith in Jesus Christ as their Savior and Lord.

CENTRAL ASIA

Pray for cooler weather. Pray for protection and strength for our field teams during the current heatwave, as some are experiencing health challenges due to the extreme weather conditions.

Praise for baptisms. Eight believers recently took discipleship classes and were baptized. Pray that their faith and love for Jesus grows more each day and that they are strong witnesses of what the Lord has done for them.

SOUTHEAST ASIA

Pray for memories. Pray that believers who have been trained to share the Good News will faithfully remember Bible stories and boldly share them with their families, friends, and neighbors. Might God's Word take root and grow.

Praise for children's ministry. Ministry partners establish libraries and reading centers in new villages that help children develop a love for reading, do better in school, and hear about God's love for them! Parents also come to hear the Gospel.

EAST ASIA

Pray for churches missing their pastor. Pray for congregations whose pastors have been arrested for their faith. It is a scary time for them as well as for the pastor and his family. Pray for encouragement, courage, and the joy of the Lord for members and pastors alike.

Pray for more openness. The government is clamping down more and more on cults (which they consider Christianity to be), making it harder to hold Bible studies and start home churches. Pray for more freedom to share the Gospel.

SOUTH ASIA

Praise for God's healing. Praise for many Muslims and Hindus who are coming to faith in Jesus when they see their desperately sick loved ones restored to complete health after our partner workers pray for them in Jesus' name.

Pray for new believers. Most new believers face persecution from family and neighbors, sometimes having to move to a new location. Pray for them to be in a good discipleship program and learn good ways to share their faith.

EAST & WEST AFRICA

Pray for ministry families. Pray for good health and supernatural protection for ministry workers and their families as they serve in challenging and often high-risk environments.

Pray for peace. Pray for the security situation in the Sahel, that the Lord will restore peace and stability across the region so that His work may continue to advance.
