

# October 2026 Prayer Guide

---

## EAST & WEST AFRICA

**Praise for new believers.** Pray that believers from unreached people groups in East Africa will continue to grow in their faith and experience God's provision, healing, and encouragement.

**Pray for divine intervention.** Pray for God's protection over several African countries amid ongoing insecurity and terrorist attacks. Pray for vulnerable families, widows, and children facing hardship, that they would experience God's provision, care, and hope through His people.

## SOUTH ASIA

**Praise for much fruit.** Pray for the continued growth and multiplication of disciples, leaders, and healthy churches. Ask God to establish believers firmly in their faith and equip them to share the Gospel with others.

**Pray for flood victims.** Many people died from recent flooding in Nepal. Many lost their home, possessions, livelihood, and sense of stability. Churches and businesses washed away as well. Ask the Lord to provide for physical, emotional, and spiritual needs and to restore hope in believers and draw many non-believers to His salvation.

## EAST ASIA

**Pray for children of Christian families.** In China, children under the age of 18 are not allowed to attend worship services, Sunday School, summer camps, etc. Pray for wisdom and direction as Christian parents seek how to raise their children to love and follow the Lord Jesus Christ in an atheistic environment.

**Pray for pastors and other believers in prison.** Ask the Lord to encourage those who have been imprisoned for their stand for Christ. Bibles are not allowed, so pray the Holy Spirit brings Scripture passages to mind that help bring them closer to the Lord than ever before.

## CENTRAL ASIA

**Pray for church planters.** Pray for the Holy Spirit to empower their efforts as they serve in a predominantly Muslim context, often with strong opposition.

**Pray for community development outreach.** Ministries sometimes seek to soften hard soil through community development projects such as wells, sewing classes, or animal husbandry. Pray for the Lord to use these personal connections to share the good news of Jesus and for house churches to be formed.

## SOUTHEAST ASIA

**Praise for new ministry leaders.** In one area, 16 prospective church planters are in training; pray that they will be firmly established in their calling and well prepared to reach unreached peoples. Praise and pray for 10 newly ordained pastors as they begin pioneering Sunday services and outreaches.

**Pray for growth in Christ.** Pray that God's Word would continue to transform lives, bringing forgiveness, healing, reconciliation, and deeper faith among those being disciplined through our ministry partners.

## MIDDLE EAST & NORTH AFRICA

**Praise for ministry to children.** Pray for children's programs, summer camps, and children's workers. Ask God to protect the children, draw them to Himself, help them grow in their faith, and use them as witnesses in their families and communities. Pray also for wisdom and strength for those serving and discipling children.

**Pray for the needy.** Pray for those facing economic hardship, displacement, unemployment, and other difficulties. Ask God to provide for families, strengthen those who feel isolated or vulnerable, and reveal His care and provision through our partners' outreach efforts.
